The Antiques Tourist for 2024 is now in circulation! We proudly bring you our latest edition of the very best in antiques, vintage, retro and reclamation businesses in the area!

We cover small specialist shops; vintage fairs, markets and festivals; large antiques centres; reclamation yards, traditional antique dealers and more contemporary vintage dealers.

Another year, another Road Trip! Please refer to Page 4 to find our "Antiques Road Trip" for 2024 – this time around the county of Somerset.

Please find our comprehensive area map, including all advertisers, across the centre-spread, Pages 32 & 33.

A big thank you to all our advertisers. Whilst meeting you all over the past few months, and taking orders for your adverts, it is so heartening to hear the confidence and plans you all have for your respective businesses, and how you see 2024 working out. We have many new advertisers, including a large group from Pokesdown in Bournemouth, others from the counties of Wiltshire, Devon and Dorset, plus many returners for Somerset.

On the other side of the coin, we have a healthy list of readers from past years who have pre-ordered their 2024 copies, which we have recently dispatched by post.

So please take a look at the huge variety of businesses listed here, and either follow parts of our "road trip", or create your own.

Feedback always helps us to make improvements for next year, so please tell us what you think – even share with us your own special "road-trip"!

With best wishes,
Anthony Bucke EDITOR, Thursday 29th February 2024.

TIME FOR A TRIP AROUND THE COUNTY OF SOMERSET

The historic Low Lighthouse at Burnham on Sea

AN EXCITING TIME AWAITS US ALL FOR THE 2024 ANTIQUES ROAD TRIP AROUND SOMERSET!

We start in Bridgwater at **Vintage West** in West Street, Bridgwater. This lovely shop is situated in a classic post-war modernist development, including Bridgwater's only towerblock!

Then take the A39 west along the Somerset coast, heading for Minehead. There are good views of the Hinkley Point "C" development to the north, and the Quantock Hills to the south. In Willton turn right, then right again for Watchet. Find **Adorium Antiques** and **Beedell Coram**, both in Swain Street.

Return to A39, turning right. In Carhampton you will find **The Junk Shop** on the right hand side. Easy parking here. Continue to the traffic lights at Dunster. Turn left, past the famous yarn market, and through the traffic lights at the bottom. **Chatelaine** is on your right in a picturesque street.

Retrace your steps to A39, and head towards Taunton. Turn right in Willton onto A358, and just after the steam railway overbridge, look out for the sign to **Keith Richards Antiques** on the left. Follow the farm track into a quiet valley, and Keith's showroom is in part of the farm complex.

Resume the journey towards Taunton. At the roundabout at Bishops Lydeard, turn right towards Ash Priors, Halse, then Milverton. Soon turn right into Fitzhead Road to find **Fuller Stuff** at Dyers Farm.

Return to A358 at Bishops Lydeard, and turn right for Taunton. After the garden centre, look out for Courtlands Industrial Estate on the right. Here you will find **Stuff and Nonsense** and **Savoy Art Deco**. Now head to Taunton town centre for **Selwoods Antiques** at Queen Anne

Cottage, in Mary Street. Carpark at the rear. This is the oldest antiques business in Taunton, now celebrating their 97th year in business.

Leave Taunton eastbound, cross under M5 and follow A358 to Thornfalcon. Turn left at the traffic lights onto the A378 to Wrantage, and the **Vintage Trading Post** on your left. Continue to Langport and find **Kim Woods Vintage** in The Undercroft. And on the second Saturday of each month the popular **Langport Vintage Market** is held here. Continue to Somerton, where you will find **Selwood House Antiques** in The Market Place.

Now head north on B3151 to Glastonbury. Starting on the bypass, you will find **Glastonbury Reclamation** on Northload Bridge. It's then only a short journey into Glastonbury to find **Laura Lou Lou's** vintage shop in Benedict Street, and **Rogues Gallery** on the High Street. Next stop Wells for 2 town centre businesses. **Ido Vintage** in Market Street, and **Rustique** in Priest Row. Shepton Mallet is our next stop. **14 Town Street** is an interesting visit, with easy parking nearby in Great Ostry. On alternate months **Shepton Mallet Fleamarket** is held on Sunday at The Bath & West Showground. Check their advert for dates.

From Shepton Mallet take the A361 to Frome, and **Frome Reclamation** on Station Approach. Return on A361 to Nunney then turn left on A359 to Bruton. Turn left towards Wincanton, and at Charlton Musgrove find **Somerset Trading Barn** at Kimbers Farm Shop. For corrugated iron aficionados there is a lovely dutch barn here. Retrace

your steps to Bruton, then left to Castle Cary and find **Castle Cary Antiques & Interiors**, in Market Place.

From Castle Cary get back on A359 and head for Sparkford, and then Yeovil. At Mudford, turn right at the farmshop sign, to find the **Curious Cow** for antiques & reclamation at Hinton Farm.

Taking the back-lanes from Mudford, westwards through Ashington and Limmington to Ilchester, it is possible to avoid the current roadworks on the A303 at Camel Hill. Join A303 westbound at Ilchester. After Cartgate roundabout, look out for **Wessex Antique Beds** on the lefthand side. Pull off the A303, and there is ample parking, with a HUGE choice of beds! Return to A303 westbound, leaving at Hayes End roundabout for South Petherton. Follow the signs for Martock, and at Parrett Works find **Castle Reclamation**.

Return to A303, and then follow signs for Crewkerne. In Market Square find **11 Squared**; in Market Street find **Crewkerne Antiques** and at the bottom of South Street find **Antiques Bazaar**, with easy onsite parking.

Follow A30 towards Chard, turning left at Cricket St Thomas for Axminster. At Perry Street, turn left into Station Road, over the level crossing and up to Yonder Hill. Here an established auction has just changed hands, now named **Vintage Trading Post Auctions**. Please check their advert for sale dates.

Finally, return to Chard, and follow A358 to Ilminster. At the A303 turn right into Station Road, then first right into Rose Mills Industrial Estate. Here you will find 2 businesses successfully sharing

one unit – **Phoenix Rising and Airs & Graces.**

From Station Road head into Ilminster town centre. From the market cross head up East Street. **Remains to be Seen** will be found on the right just above the post office, and **No 57** further up East Street, offering antiques & vintage and “a great little café”.

Our Somerset “antiques road trip” is written as one continuous journey, and of course cannot be achieved in one day. Some sections will be your favourites - other sections you may ignore; your choice! But please double check days and times of opening, because the trading hours of the businesses are many and varied.
